

Christmas on the Peninsula Festival

2025 Christmas Market Policies

We are delighted to be able to offer a Christmas Market during the Christmas on the Peninsula Festival. The Market will be held at the White Rock Community Center.

Deadlines for Standards Committee's jurying

A Standards Committee will decide which products will be part of the Christmas Market. We are looking for articles of high quality, unique gift ideas, Christmas decorations and new and innovative products in keeping with the Christmas spirit. **The deadline (arrived at our mailbox) for the first jurying is April 30th and the second jurying May 30st.**

Insurance, Safety and Health Regulations

ALL VENDORS must have Commercial General Insurance Coverage for market day.

In addition, Government safety and health labeling regulations must be met on food items. All prepared food items to be sold at the market must meet the Fraser Health Authority regulations and be approved by the District Public Health Inspector of the South Fraser Public Health Unit. Go to this website: <http://www.fraserhealth.ca/health-topics-a-to-z/food-safety/requirements-for-food-businesses> and scroll to "farmers markets and other temporary food markets." Also, all food handlers must have completed a food safe course. Please do not include sharp objects, which may be dangerous.

Tables

Tables and chairs are provided. Every effort will be made to accommodate the wishes of the individual vendors. Allocation of table sites will be determined by the committee and the Society's Christmas Market Manager and that decision will be final. However, if you do have a preference, please let us know and we will try to accommodate you. Please bring extension cord if you require electricity. No extra tables or products may be put up without permission of the Market Manager. The colours of the Festival are red and green so tablecloths in red, green, black or white are encouraged (no colours in blue, yellow etc.). **Signs must not be bigger than letter size paper. Please, do not hang anything on frames or walls.**

Vendors

The Festival Committee reserves the right to limit the number of vendors who have similar products or services, or which are not fitting with the theme. This will enable all participating vendors to have less competition allowing them greater opportunity to prosper from the event. Please make sure you send photos (not website info) representative of all products you are planning to sell. Vendors displaying products or articles not applied for, will be asked to remove them (e.g. knitting, jewellery etc.).
